

WELCOMES YOU TO THE
2010 CHRISTMAS CONCERT

A central rectangular area with a dark background, overlaid with a bokeh effect of out-of-focus lights in various colors including green, blue, purple, and red. The word "LIGHTS" is written across the center in a large, white, serif font with a glowing, particle-like texture around the letters.

ABOUT TWIN LAKES CHURCH

Twin Lakes Church was founded back in 1890, and has the same mission today as always: To share the good news of Jesus Christ — through word and deed — in Santa Cruz County and beyond! What people experience during the our worship services is just the beginning of TLC's ministry to the community...

LOVE IN ACTION

We believe in showing Christ's love in practical ways. For example, our **People's Pantry** distributes free groceries each week. **HomeAid** helps the widowed and physically limited through home fix-it projects. **Share His Care** mobilizes volunteers to help people with debilitating afflictions. **Sonshine Ministry**

brings meals to convalescing people. **Mom's Angels** is our car repair ministry for widows and single mothers. And **Stephen Ministry** assists with hospital and home visits. To volunteer for or receive care from any of these ministries, please contact Susie@tlc.org or 831-465-3368.

GIVING BACK

Twin Lakes Church is pleased to partner with **Second Harvest Food Bank**, **The Salvation Army**, **Prison Fellowship**, and **Bridge of Hope** as we give back to our community during the holidays.

For our November food drive, the church raised enough food and cash in just three weeks to feed over 400,000 people! Thanks to everyone for your amazing support.

During our December **Angel Tree Project**, the church donated hundreds of toys and other gifts to needy children and nursing home residents. Again, thanks for your generosity.

TLC also supports local and global outreach throughout the year. Through our own ministries, and through partners like **Little Flock Children's Home**, the poor are fed, orphans are loved, the sick are cared for, and churches are built all year round.

SUPPORT GROUPS

TLC has several specialized support groups for people with addictions, cancer, HIV/AIDS, chronic pain, those who are grieving, and more. For more information, please contact Lee@tlc.org or 831-465-3313.

WORLD OUTREACH

TLC has missionaries and several mission agencies all over the world. We are involved in church planting, Bible translation, HIV/AIDS victim relief, medical outreaches, social development, and more.

COMING UP AT TLC

NEW WEEKEND SERIES: "ONE MONTH TO LIVE"

A twist on the the usual New Year's resolution, our 6-part series for the new year asks: If you were given only one month to live, how would you change? The point is not to prepare for death, but for a vibrant life! Based on the New York Times best-selling book by Kerry and Chris Shook that inspired the hit song "Live Like You're Dying" — a great way to kick off 2011.

JANUARY 1 & 2: "LIVING THE DASH"

What did Jesus do when He knew He had one month to live? From His life you'll discover four universal principles that will enable you to really live instead of just exist.

JANUARY 8 & 9: "LIVE PASSIONATELY"

Passion makes life great. One problem: The pressures of life can drain the passion right out of you. Discover how to live passionately again!

JANUARY 15 & 16: "LOVE COMPLETELY"

If you were counting the days before you left this earth, you'd be looking for ways to build bridges, to bring healing, to enjoy relationships. Why wait? Discover new courage to love!

JANUARY 22–30: WORLD OUTREACH WEEK

FEBRUARY 5 & 6: "LEARN HUMBLLY"

Ever feel powerless in life? Maybe over a habit, or a problem in a relationship or at work? In this weakness you can discover a liberating truth!

FEBRUARY 12 & 13: "LEAVE BOLDLY"

Everyone wants to leave a lasting imprint in life — a legacy to be remembered, a life that made a difference. How can you learn to leave a legacy of love?

FEBRUARY 19 & 20: "LIVING A NO-REGRETS LIFE"

Someone said, "Your life is a gift from God. What you do with it is your gift to God." Learn how to enjoy every single moment as the precious gift it is, and how to make it count toward something meaningful and eternal.

Each week's message ties into a personal handbook — available in the lobby today — for personal or small group study.

THE LIGHT OF CHRISTMAS

Our concert is a celebration of the most amazing event in history:

A baby boy was born.

But this was no ordinary child. This baby brought light into our dark world.

The Scriptures tell us lights were everywhere at his birth: In the glory of the angels shining on the shepherds, in the light of a star leading the Magi to Bethlehem, and even in the prophecies of a light that would come from heaven to shine on us.

“On those living in the land of deep darkness a light has dawned.” Isaiah 9:2

The story of Christmas light begins long ago, even before the birth of Jesus. At the very beginning of time, God said, “Let there be light!” and created a perfect world where people could live in harmony with Him and walk in His light.

But humans brought darkness into that world when they rebelled against God. The consequences were far-reaching: Pain, suffering, and an acute sense of loneliness for a relationship with God. We longed for His light to come to our darkness.

Then God answered our prayers.

The same God who said, “Let there be light!” became the light of the world. He visited us in our darkness. He even took on Himself the penalty for our sins so His light could cleanse us and give us a fresh start.

“The true light that gives light to everyone was coming into the world. He was in the world, and though the world was made through him, the world did not recognize him... Yet to all who did receive him, to those who believed in his name, he gave the right to become children of God.”
JOHN 1:9-14

God did this for one reason: He loves you.

This gift of light is for you.

This Christmas you can receive the greatest gift of all: The light of Christ. Forgiveness, reconciliation, joy, peace, love... these are found in His light.

Let Him shine on you today!

MERRY CHRISTMAS!
